

**REMARKS**

In the Notice of Non-Complaint Amendment dated July 3, 2007, it is indicated that a complete listing of the claims is not present. In the Amendment filed June 18, 2007, Applicants stated in the first sentence in the remarks section "Claims 1-38 and 40-41 are pending. No claim 39 was originally filed."

Further in the Amendment dated June 18, 2007, Applicants canceled claims 35-38 and 40-41 without prejudice and claims 42-43 were added. Upon entry of the Amendment dated June 18, 2007, claims 1-34 and 42-43 will be pending. Applicants respectfully submit that a complete listing of the claims as filed and amended is present. Should it be determined that claim 39 is to be listed with an indication that no claim 39 was filed in the original application, such as "39. (Not originally filed)," Applicants request that the Examiner contact Applicants' representative to resolve the matter. Applicants submit that the Application, in view of the Amendment dated June 18, 2007, is in condition for examination and allowance.

For the foregoing reasons, and for other apparent reasons, Applicants respectfully request reconsideration and favorable action. If the Examiner feels a telephone conference or an interview would advance prosecution of this Application in any manner, the undersigned attorney for Applicants stands ready to conduct such a conference at the convenience of the Examiner.
